WAINUI SCHOOL'S ANNUAL AG DAY AND COUNTRY FAIR

The day was again a huge success in 2019. Our Ag Day is held on a Friday, making this the most fun school day of the whole year! This year we had 29 hand reared lambs, 10 hand reared goats and 11 hand reared chickens. These animals competed for the coveted Supreme Champion title and Harry Browne Hale with his goat Jordie won for the goats, McKenzie Allen with her lamb Woolley for the lambs and Serena Wyers with her chicken.
 The day also included lots of yummy food, a bouncy castle, face painting, an inflatable obstacle course and market stalls. We also had 10 old fashioned games, with everything from a coconut shy through to knocking tin cans over. At each game the participant received a number based on how well they played the game and they could exchange this number for a prize at the prize tent. This year the Year 7 and 8 students also had stalls of items that they had made themselves to sell and our Garden to Table team, sold lots of their produce and wares that they had also made. It was fantastic to see our budding entrepreneurs in action! Thank you to everyone who came and supported our event - it was wonderful to see so much of our community there. Wainui School would especially like to thank Simone Bernard from Harcourts Cooper & Co, who was our

principal sponsor for the event. Simone has been a wonderful longtime supporter of our school and we really appreciate all that she does for us.
 On the day we raised \$8617.75 and this money will be used to improve our outdoor playing spaces. If you were unable to come to our Ag Day and Country Fair this year, make sure that you mark it on your calendar for next year - we would love to see you there!
